

## COUNTY PAYS \$170,000 ON ADAMS LOANS

The Adams County commissioners Tuesday directed the paying off of \$170,000 in short term loans from incoming taxes.

The \$20,000 paid the Arentsville National Bank and the \$50,000 each to the Adams County National, Gettysburg National and Littlestown National Banks lowered the current debt of the county to \$158,000 and it is anticipated that more of the debt will be paid off probably Friday.

County Treasurer Daniel J. Wolff is scheduled to give the commissioners Friday an up to the minute report showing how much has come in so far in taxes and the amount of taxes that can be anticipated by the end of the year, on which the commissioners can base the amount that the county can afford to lower the debt while paying its bills for the rest of the year.

### LOANS DISTRIBUTED

Of the remaining \$158,000 debt, \$103,000 represents short term notes and \$55,000 is still owed on the county home. The prior commissioners, in borrowing money on short term notes to complete payment for the home, anticipated that about \$25,000 a year would be paid each year on that debt.

The \$170,000 paid off Tuesday were tax anticipation notes based on the fact that the county has to pay its way from January to August, while taxes do not come in any amount until midsummer.

The \$103,000 in short term notes still outstanding includes \$28,000 borrowed from the York Springs National Bank, \$50,000 from the Bendersville National Bank and \$25,000 from the Adams County National. The commissioners have continued the custom of spreading around the borrowings among the various banks of the county and generally get their money at four per cent.

With payment of the \$170,000 in notes, the county treasurer has a balance of \$74,719.73 in the general fund and had on hand \$14,075.59 to be deposited Thursday. The \$41,075, however, about equals the anticipated expenditures during the remaining of the month including payroll.

Tuesday the commissioners authorized \$29,408.15 in bills to be paid. That amount included payment of the \$12,500 budgeted for the Adams County Library, and \$2,500 budgeted for the Warner Hospital. The commissioners also voted to pay \$800 at present to

## SEWER PLANT OPERATOR IS HIRED TUESDAY

Biglerville borough council Tuesday evening employed a new sewer plant operator and decided to set up an ordinance and fine system to enforce traffic regulations in the borough. Numerous complaints have been received by councilmen concerning excessive speeding.

Mervin Weikert was selected from several applications for the position of sewage plant operator. His duties include taking different tests daily, weekly and monthly for the State Department of Health. He will also be responsible for routine maintenance.

The committee discussed the problem of sediment in the well water at the sewer plant and considered the possibility of installing a filter system or using borrough water at the sewer plant. The water is used to operate the chlorinator and has been clogging this apparatus periodically.

A representative from Tracey Engineers recommended that the chlorinator lines be flushed periodically to correct the situation.

Plans were made by the council to tour the sewage treatment plant with the borough engineer in order to become more familiar with the operation.

Council approved the payment of bills totaling \$3,402.58, including \$837.84 in the sewer fund and \$2,564.74 in the borough fund.

## ASKS \$3,600 IN COUNTY MONEY TO PUBLICIZE "OLD PA. TOUR"

William F. Richardson III, president of the Gettysburg Travel Council, Tuesday outlined a picture of vastly increased tourist visitation throughout Adams County in seeking support of the county commissioners for "Old Pennsylvania Tour" plans involving six south central Pennsylvania counties.

Richardson, who met with the commissioners Tuesday in the courthouse here, told them he was representing the "Old Pennsylvania Tour" committee rather than the Travel Council.

The "Old Pennsylvania Tour" group is seeking to set up "endless circle tours" throughout the six counties to attract tourists from throughout the world but particularly from among the more than 100,000,000 who reside in the eastern United States.

### UP \$20 MILLION YEARLY

Plans underway call for establishment of a \$50,000-a-year budget from the six counties. Adams, as the smallest in population, would "pay \$3,600 to obtain \$50,000 worth of publicity for the area," Richardson said. He said the program would "increase tourist business by \$20,000,000 a year in the six counties within five years, because the area would be promoted as a place to spend a week or more—a vacation site—similar to the Poconos or Bahamas."

In connection with "Old Pennsylvania Tour" an Adams County tour would be set up as one of the circles within the larger circular tour. "There is a wealth of things for an Adams County tourist tour," Richardson held. "To mention just a few, Russell's Tavern where Washington stopped, the fruit belt, the fruit processing plants, the old Jesuit mission, the White Squaw and magnificent scenery in the Buchanan Valley section, the oldest churches throughout the county, covered bridges, the horse farms in the Hanover area, Conewago Chapel, Mother Seton and the National Lourdes Shrine in the Emmitsburg area, East Berlin's Studebaker house, the whole South Mountains area. Littlestown." (Continued On Page 3)

### JUBILEE LUNCHEON

Following the Mass, the jubilee luncheon will be served in the college dining room in DuBois Hall. Each guest will receive a "touched" relic of Mother Seton as a souvenir of the occasion. Rev. Fr. Joseph I. Dirvin, C.M., author and biographer of Blessed Elizabeth Ann Seton, will be the luncheon speaker. The visitors will return to Washington in late afternoon to resume business sessions.

The IFCA was founded 50 years ago by two alumnae of St. Joseph College, the late Mrs. James J. Sheeran (the former Miss Clara Douglas) and the late Sister Mary de Paul, O.P. (Clare I. Cogan). The organization had the approval of James Cardinal Gibbons, John Cardinal Farley, William Cardinal O'Connell and 37 other members of the hierarchy.

### FOUNDED IN 1914

Founded in New York City in November, 1914, the IFCA was chartered under the laws of the District of Columbia in 1924 with international headquarters at the Catholic University of America. The IFCA, composed of the alumnae associations of Catholic high schools, colleges and universities, aims to bring the members into communication with each other in support of the ideals of Catholic womanhood and, in united effort, to promote Catholic education, literature and social service.

## Helicopters

(Continued From Page 1) In the jungle, scores of smoke bursts erupted, and tracers arched up at the helicopters. Machineguns in the fast-moving helicopters chattered, and rockets roared from their pods.

(This correspondent was knocked on the face by flying metal.) Troop-carrying helicopters touched down about six seconds, just long enough to unload their men. Only a few troops reported enemy contact.

"In this mess of jungle, there could be 2,000 or 20,000 Viet Cong hiding, and we'd never see them," an American paratrooper adviser said angrily.

But Viet Cong anti-aircraft batteries continued to hammer away from under their canopy of foliage.

### DRAW FIRE

Returning to Saigon from the second lift, helicopters again drew murderous fire.

Near the same place Tuesday, the Viet Cong hit a government outpost, killing 11 defenders and capturing 19 rifles.

Estes, his face tense with anger, pushed his helicopter into a power dive straight at the spot where the Communist tracers were spurring, his four machine-guns blazing away. He blasted four rockets into the jungle and pulled out at low altitude.

"Damn, that was a hairy maneuver," Estes said laughing.

Elsewhere, the Saigon government claimed today that its forces killed 42 guerrillas in the Mekong Delta province of Dinh Truong, 30 miles south of Saigon Monday and Tuesday. It said 16 government troops were killed.

About 20 miles southeast of Saigon early today, the Viet Cong reportedly captured eight government soldiers at an outpost in Go Cong Province.

### REUNION ON SUNDAY

The Reese and Shindedecker reunion will be held Sunday afternoon at the Fairfield Amvets Post picnic grounds near Fairfield.

## Barry To Ask Ike's Advice On Key Posts

By WALTER MEARS

HERSHEY, Pa. (AP)—Republican presidential nominee Barry Goldwater disavowed extremists of the left and right today, and promised, if he wins the presidency, to consult in advance with former President Eisenhower on appointments to key Cabinet posts.

"I seek the support of no extremists — of the left or the right," Goldwater told a closed-door summit conference of Republican leaders he had summoned here in a bid for party unity.

Goldwater said he was confident there would be no "so-called extremist takeover of the party."

His statement was distributed in advance.

### CONSULT LEADERS

In it, he said that if elected president, he will consult Eisenhower, former Vice President Richard M. Nixon "and other experienced leaders seasoned in world affairs" before naming secretaries of defense or state, or any other key national security posts.

Goldwater said his foreign policy would be patterned upon Eisenhower's, and continued: "If all this amounts to an impulsive and trigger-happy approach to foreign policy, then I fear the English language has lost its meaning."

Goldwater said the number one campaign problem the Republicans face is "the totally wrong view our opponents will try to din into the mind of every American voter — namely that the election of a Republican president in November will somehow lead to war."

## ASK FEDERAL HELP ON SEWER EXTENSIONS

McSherrystown borough council Monday night approved an application to the Federal Housing and Home Finance Agency for a grant to pay for 30 per cent of the cost of additions and renovations to the existing sewer plant.

William E. Sees Jr., borough engineer, was authorized to prepare the necessary specifications and cost estimates. F. Burnell Wagner, secretary of council, was designated to sign the documents.

As brought out at a previous meeting by Donald Krepps, vice president of council, the changes to the sewer plant are necessary to comply with state requirements, as the plant was originally designed for a population of 2,500 and more than 3,000 are currently using the system.

No parking will be allowed on the north side of North St. from Second to Sixth; the north side of Main from Second to Oxford Ave.; the north side of South St. from Oxford Ave. to Fourth, and the east side of Second from North St. to Main St.

Council decided to install on the roof of the municipal building a radio antenna that had been purchased some time ago but never used.

Donald Krepps, as chairman of the street committee, reported necessary changes had been completed at Willow St. between Main and South Sts. to alleviate a surface water problem. He complimented Engineer Sees on having done an efficient job at a minimum cost.

### "THOUGHTS OF YOU"

I'm looking out upon the sea . . . toward horizons blue . . . watching waves come rolling in . . . but thoughts are just of you . . . I gaze at white clouds overhead . . . and see them drifting by . . . but from my heart there falls a tear . . . and you're the reason why . . . for as I tread the velvet sand . . . without you by my side . . . my spirit seems to rise and fall . . . like driftwood on the tide . . . I think about my yesterdays . . . aglow with tender bliss . . . the hours filled with happiness . . . that came from just a kiss . . . oh how I miss those wondrous times . . . when you were all my own . . . to think it's just a memory . . . and now I am alone . . . looking out upon the sea . . . toward horizons blue . . . watching waves come rolling in . . . but thoughts are just of you.

## LL SCHEDULES FINAL CONTEST

The Lions and Elks will close out the Gettysburg Little League season by making up their postponed game Friday evening on the Little League diamond at 6:15 o'clock. This decision was made Tuesday evening following a meeting of the board of directors. The contest was postponed due to the Adams County Little League tournament.

Should the Lions win, they will have successfully defended their crown. However, a Lion loss would result in a possible three-way tie for first place. The board decided to meet that problem when and if it arises.

The board also voted several amendments to the local rules. These include the insertion stating that not more than one adult shall coach on the bases. This being done to assure some supervision in the dugouts. Also inserted was the rule that at least one player from each team will be on the All-Star teams of the future.

The board commented on the success of the playoffs and congratulated Manager Ed Markley, his assistants, Howard Hartzell and George Hale, and the entire All-Star team for the successful defense of the Adams County title. All teams were present at the meeting. Dick Smith, president, presided.

## PSU BRANCHES ARE GROWING

UNIVERSITY PARK — The Pennsylvania State University expects its greatest enrollment growth this fall at the 15 branch campuses located in communities throughout the state.

The enrollment at these 15 branches — known officially as Commonwealth Campuses — is expected to increase by approximately 20 per cent to nearly 4,735 full-time students. Enrollment at the main campus at University Park is expected to increase this fall by approximately three per cent.

Biggest increase will be at the Altoona Campus of Penn State where two new residence halls to house more than 200 additional students are nearing completion. Total enrollment at the Altoona Campus is expected to reach at least 660 students — an increase of 257 over last year.

The Altoona Campus residence halls, made possible partially by a community fund-raising drive, are the first new dormitories to be completed at a Penn State campus other than University Park.

However, other Penn State Commonwealth Campuses are expected to start construction of comparable facilities within the next few years.

Within the next five years also, Penn State expects to devote its main emphasis on undergraduate enrollment growth toward the branch campuses. By 1970 an estimated 10,000 students will be located at the Commonwealth Campuses throughout the state, while 25,000 are expected at University Park.

## ASKS \$3,600 IN

(Continued From Page 1) town's business area and of course the battlefield here.

"We think that there is enough in Adams County to keep a tourist coming for several days at least."

CUMBERLAND TAKES STEP  
"The reason we are seeking to combine into a six-county 'Old Pennsylvania Tour' is simple. We can't spend the money necessary to advertise properly, but six counties can. We have to compete with the Poconos and the thing we forget is that the Poconos are a combination of three counties, not one."

"Yesterday Cumberland County commissioners agreed to put up Cumberland County's share of the cost, based on seven cents per person in the county. I appreciate the problem of Adams County's finances at the moment and I offered to put up Adams County's \$3,600 share from private sources. But frankly the other counties don't want it that way. They want the entire promotion to be from county funds, because then the counties would have control of the promotion and because they are aware of the success of Norfolk, Virginia's, promotion where the city bases its tour promotion on municipal funds. They believe that a great deal of the success of the Old Pennsylvania Tour will be based upon the fact that it will be a governmental activity."

"How do the counties expect to realize a profit on the tax money they are spending? We can give an example from Gettysburg. Ten years ago there were four museums here. Now there are 16, six of them put up in the last three years. We have 39 motels, of which about 20 were built in the last 10 years. The number of restaurants has grown to 36, many started in the last few years."

### MUST SELL IDEA

"These businesses give employment, they provide business for stores and construction firms, electricians and everyone else. And from the counties' standpoint the tourist business is a very good thing. It provides businesses that are subject to high assessments without requiring services such as more schools."

The commissioners said they were interested, "if you can convince the people throughout the county that this is a worthwhile thing. We represent all 52,000 people in the county. I don't think they would want to give of their taxes to help Gettysburg alone."

Richardson noted that the "tour idea would work only if it is a tour, and thus the whole of the county would have to be in as an attraction for the tourist. The result would be more business for everyone in the county, the restaurants, the gas service stations, fruit stands and everyone else. There are a number of motels and hotels throughout the county now. I think there soon would be more people going into the tourist business throughout the county. That in turn would make the tour more attractive for there would be more things to see."

### PUBLIC MEETING

Richardson said he will set up a public meeting in September at which he would show a movie of the Norfolk, Va., tour and a slide presentation giving details of the "Old Pennsylvania Tour" plan. He said he would invite people from throughout the county to be present and "their response will help the commissioners decide whether county money should be expended for this purpose."

Part of the funds to be raised for the "Old Pennsylvania Tour" would go to signs to be placed along roads directing tourists on the routes and the remainder would go for brochures and national advertising, Richardson said.

## York Co. Still Brings Sentences

HARRISBURG (AP) — Two Baltimore men face federal prison terms of two years and more for operating an illegal still in Springfield Township, York County.

U.S. Dist. Judge Frederick V. Follmer sentenced Cletus W. Welch, 52, to three years imprisonment and Quentin E. Hobbs, 33, to two years in prison.

Both had pleaded guilty to four of five counts against them. Henry L. Goss, internal revenue agent, told the court the pair were apprehended with two others in a raid last Jan. 28. The 360-gallon still was found in the spring house on a farm, he said.

The others, John R. and Kenneth C. Joines, both of Stewartstown, pleaded innocent to charges against them.

### CROPS KEEP GROWING

HARRISBURG (AP) — The state Crop Reporting Service says unseasonably low temperatures last week failed to impair generally good crop growth.

"It was the coolest week since early June," the service noted Tuesday in its weekly report.

Low readings of 37 degrees were recorded at Pleasant Mount in Wayne County and 38 at Emporium, Cameron County.

A junior golf team composed of players from the Central Pennsylvania area defeated a team from the Greater Washington, D. C., area 6-5, Tuesday at Manor Country Club, Rockville, Md., in competition fashioned after the Walker Cup matches.

Among the players competing were Jack Sneddon, New Oxford, affiliated with the Hanover Country Club, playing for the Pennsylvania team, and Charles Schleicher, son of former Gettysburg Country Club professional, Dick Schleicher, playing for the Greater Washington team. Sneddon teamed with Bob Harding, West Shore, Harrisburg, to win their doubles match, but the New Oxford linksmen dropped his singles match 1 up. Schleicher teamed with Lou Anderson to win their doubles and he also dropped his singles clash 5 and 4.

## WILL PRESENT FINAL PLAY

The Gettysburg Summer Players close their season this week with two one-act plays combined in one package. "The Typists and the Tiger," by the young American playwright, Murray Schisgal, Miss Martha Kilgore will make her debut on the local stage in the part of Gloria, one of the two roles in "The Tiger."

In a deviation from the original production, Patricia Martell and Richard K. Olsen will play two parts each, and actor-director Emile O. Schmidt and Miss Kilgore will play the other two parts.

In "The Tiger," Gloria is a young lady who has been abducted by Ben to his basement apartment. However, she resists his advances and the denouement has a comic aspect.

As an added note of interest for this production, for the first time Miss Martell and Emile Schmidt, who are husband and wife off the stage, appear as a husband and wife team.

"The Typists and the Tiger" will play at the Gettysburg Summer Theater Wednesday through Saturday at 8:30 p.m. This is the ninth and last play of the 1964 season.

**Drought Aids Quality of Peach Crop:** With the quality and flavor greatly enhanced by the long drought the gathering of Adams county's 1939 peach crop will get under way on a large scale next week, fruitmen said today. Although the dry weather has somewhat reduced the size, county orchardists say that the flavor of this year's fruit has not been equalled since the drought year of 1931.

## Today's Talk

### ON GETTING EXCITED

I like to see people get excited over beautiful things, over a glorious friend, over a superb painting or a stirring book. But it is always a sad spectacle when I see a person get excited over making a heap of money, or over beating out the other fellow in some business deal.

When we get excited over something that feeds the mind and heart, somehow that excitement spreads — creeps into other lives and warms those lives — perhaps changes them in a most pronounced manner. One of my roommates in college told me one evening of a great book that had changed his entire attitude toward life. The author had long gone to his reward, or his long sleep, as you wish, but to this day that which he left is live and vital.

It looks so silly and foolish to see two or more people getting excited over things that only embitter and cause pain and sorrow.

There is nothing so gloriously grand as to see the little tots at Christmas time all excited over the gifts that come from Mr. Santa Claus. It is a thrill that comes but once in a lifetime and which endures, I believe, in some form or other.

The excitement over a first-born is something that cannot be explained, adequately, outside the one excited himself. (I refer to himself, for it's the he who usually gives out all the excitement.)

The artist gets excited over the effects that come about from applying his paint to his canvas. Because, you see, he keeps seeing his soul revealed in the color before him. I once watched a famous cartoonist make his cartoon for the next day, and he entered so into the spirit of the idea that he had to laugh and smile all through the production. He seemed lost with his own excitement trotting along with him.

There's nothing to be ashamed about in getting excited, if it's over something that sprays just a little more joy into the world, or lifts the curtains from a gloomy or discouraged heart.

### LAWS

At first the laws were stamped on stone,  
"Thou shalt not steal!"  
"Thou shalt not kill!"  
But men, though ages long have flown,  
Are killing and are stealing still.

Down through the years have laws been made,  
To banish sin and selfish greed;  
But, temper-torn and passion swayed,  
Men still forget the laws to heed.

Though governments with might and main  
Obedience to the laws compel,  
Both force and printed books in vain  
Attempt the tides of wrong to quell.

More words are laws on pulp and stone!  
The better order never starts  
Until the law finds flesh and bone  
And stamps itself upon our hearts.

**FDR Signs New Security Bill:** Hyde park, N. Y. (AP) President Roosevelt signed today a bill making broad liberalizations in the social security act and cutting hundreds of millions of dollars off the tax burden it imposes. The President said in a formal statement that "these amendments to the act represent another tremendous step forward in providing greater security for the people of this country." Millions of persons will benefit from the changes. One amendment alone, freezing for three years the present tax rate for old-age insurance, will result in an estimated saving of \$905,000,000 to taxpayers.

### MISS RITTER IS WED SATURDAY IN VA. CHURCH

Miss Mary Louise Ritter, daughter of Mr. and Mrs. Luther W. Ritter, 551 Glenwyn Drive, Littlestown, and William John Hurley, son of Mr. and Mrs. Harry L. Hurley, 124 Academy Ave., Weymouth, Mass., were united in marriage on Saturday at 2 p.m. in St. Bede's Church, Williamsport, Va.

The double-ring ceremony was performed by the Rev. Mr. Bowens. An organ recital was presented by Miss Ruth David, Williamsburg, Va. The altar was decorated with bouquets of white rubrum lilies.

The bride, who was given in marriage by her father, was attired in a floor-length gown of white pure silk linen, fashioned with bateau neckline, elbow sleeves and bell skirt; the detachable train fell from a flat bow and silk linen rose at the back of the waistline. Venise lace banded the bodice, skirt and train. Her bouffant veil of French illusion was caught by a pillbox of silk linen trimmed in Venise lace and accented with a flat bow in the back. She carried a crescent arrangement of white rubrum lilies and white roses.

**ATTENDED BY SISTER**  
Miss Martha Ritter, 551 Glenwyn Drive, Littlestown, attended her sister as maid of honor. She wore a long gown of cornflower blue lined with scoop neckline, fitted bodice, elbow-length sleeves; the bell skirt featured appliques of tiny linen flowers. She carried a crescent bouquet of white rubrum lilies and wore a matching headpiece.

The junior bridesmaid was Miss Shirley Ritter, 551 Glenwyn Drive, Littlestown, sister of the bride. She wore a pink gown styled similar to that worn by the maid of honor. Her crescent arrangement was of white rubrum lilies.

The bridegroom chose Theodore Hawkes, Weymouth, Mass., for his best man, James Johnson, Williamsburg, Va., and Thomas O'Connor, Lexington, Mass., served as ushers.

**RECEPTION FOLLOWS**  
Following the ceremony, a reception was held at the Holiday Inn, Williamsburg. Guests were present from California, Massa-

chusetts, New York, Virginia, Maryland and Pennsylvania. The couple left on a two-week wedding trip to Nantucket Island. For traveling, the bride selected a black and white organza dress with white accessories. Upon their return, the newlyweds will reside in Williamsburg, Va.

Mrs. Hurley is a graduate of Littlestown High School and Wittenberg University, Springfield, O. In the fall she will be an elementary teacher in Williamsburg.

Her husband is a senior at the college of William and Mary, Williamsburg, and is captain of the track team.

## Aaron Homer Tops Mark Of Joe DiMaggio; Phils And Giants Add Victories

By MIKE RATHET  
Associated Press Sports Writer

It was a bad night for the New York Yankees all around. Even Joe DiMaggio was knocked down a peg.

While the Chicago White Sox whipped the Yankees in a doubleheader, Milwaukee's Hank Aaron topped the Yankee Clipper into 14th place on the all-time home run list, hammering his 19th and 20th of the season as the Braves walloped Houston 9-6 Tuesday night.

The homers lifted Aaron's career total to 362—one more than DiMaggio—and shoved the 30-year-old right-handed swinger into the National League spotlight that has been focusing almost steadily on the tight pennant struggle between Philadelphia and San Francisco.

**SLAM FOR CALLISON**  
Aaron's outstanding performances over the last half of the season have gone virtually unnoticed, but he has been hitting at a .355 clip since June 21 and climbed into the No. 6 spot in the league with a .314 average. In the 48 games over that stretch, he has driven in 45 runs.

While Aaron continued his heavy hitting for Milwaukee, Johnny Callison did the same for league-leading Philadelphia, slugging the first grand slam of the season by the Phillies and adding two doubles in a 13-5 walloping of the Chicago Cubs.

The victory kept the Phillies three games in front of the San Francisco Giants, but may have cost them the services of outfielders Cookie Rojas and Tony Gonzalez, the latest additions to an ever-growing injury list.

**TWO PHILLIES HURT**  
Rojas jammed both wrists when he ran into the center field wall chasing a fly ball and Gonzalez, his replacement, was hit on his protective helmet by a Dick Ellsworth pitch. Both players were taken to the hospital, but the injuries were not considered serious.

The Giants rode homers by Willie Mays and Orlando Cepeda to a 6-3 victory over St. Louis, the Cincinnati Reds edged the Los Angeles Dodgers 4-2 on homers by Frank Robinson and Deron Johnson and the New York Mets defeated Pittsburgh 3-2 in a game halted after 7½ innings by rain.

Frank Thomas slammed three doubles for his new Philadelphia teammates, driving in three runs for a 3-0 lead but the Cubs came back to move in front on homers by Andre Rodgers and Ernie Banks.

Callison then broke it up with

his grand slam, capping a five-run rally touched off by Gus Triandos' homer. The two homers left the Cubs' Ellsworth, a 22-game winner last season, with a 12-14 record.

Harvey Kuenn collected three doubles for the Giants, triggered three rallies and scored three runs. He came home on Hal Lanier's single in the first and Cepeda followed with his 20th homer. In the third Kuenn scored on Mays' 33rd homer and in the seventh he was driven in on a sacrifice fly by Cepeda.

Robinson homered in the first for the Reds, then tripled in the fourth and Johnson followed with his homer. That was enough for Joey Jay, who struck out 13, scattered seven Dodger hits and brought his record to 8-8.

The Mets beat their nemesis, Bob Friend, who had a 12-0 lifetime record against the New Yorkers. Larry Elliot drove in two of the Mets' runs with a homer and single while Jack Fisher limited the Pirates to three hits.

### Church Bowlers Meet Thursday

An organizational meeting of the church bowling league of the Gettysburg area will be held Thursday evening at 8 o'clock at the Edgewood Lanes, it was announced today by Ray Thompson, recreation director.

The league hopes to retain the same Thursday schedule as last year with games starting at 6:45. It is also hoped that the same teams, which participated last year, will again take part this season. Any new teams interested in competing this season are urged to attend Thursday's meeting.

The tentative league opening date has been set for September 3. Also planned is a switch to team handicap bowling, but both matters will be discussed on Thursday.

## DRAB YANKS OUTHOMERED BY CHISOX

By JOE REICHLER  
Associated Press Sports Writer

NEW YORK (AP)—Watching the New York Yankees these days makes an observer recall that advertising slogan with a slight variation:

"Wonder where that power went?"

This has to be the weakest Yankee hitting team in years. The club has a composite batting average of under .250, with Mickey Mantle the only .300 hitter. His average is .310.

Worse, it is not producing the long ball, a long-time Yankee trademark. It is almost unbelievable, but true, that six of the nine other American League clubs top the Yanks in home runs. Such a phenomenon hasn't occurred in 45 years, or since Babe Ruth joined the organization.

### OUTHOMERED BY CHISOX

The normally weak-hitting White Sox of Chicago added insult to injury Tuesday by outhomering the Yankees as they swept both ends of a day-night twin bill 6-4 and 8-2. The double loss, the Yankees' fourth and fifth in their last six games, buried them deeper in third place, 3½ games behind the front-running Baltimore Orioles and 2½ behind the White Sox.

Chicago hit four homers to two by the Yankees.

"It's the law of averages," said White Sox Manager Al Lopez. "The Yankees beat us 10 straight and we were long overdue. I've been around long enough to know that everything evens up in the long run."

### YANKS LOOK DRAB

The Yanks have looked drab and dismal in recent days. Normally a fine defensive club, they committed two errors in each game to go along with their 11 hits.

The pitching, with Whitey Ford out indefinitely because of a hip injury, is uncertain and undermanned. Manager Yogi Berra is in such a pinch for pitching, he was forced to dig into the club's Richmond farm for help.

Mel Stottlemyre, called up Tuesday, was immediately nominated to start against the White Sox today.

### "IN A RUT"

"The club is down," said Berra. "We're not tired. We're just in a rut. We're just not hitting. We can't seem to get that big inning. We picked a heck of a time to go into a slump."

The Yankees have more than 50 games left to play. But with two teams in front of them, neither of which they play after Aug. 20, it looks like a long uphill climb.

They just don't seem to have enough—pitching, or the sock to make up for it.

## DEFENSE MAY BE PROBLEM FOR '64 COLTS

By JACK HAND  
Associated Press Sports Writer

WESTMINSTER, Md. (AP)—Don Shula hopes to get his Baltimore Colts out of the gate in a fast start despite the retirement of Gino Marchetti, the perennial all-National Football League defensive end.

Don Thompson, a 6-foot-4½ 240-pounder in his third year of pro ball, must fill Marchetti's shoes if the Colts front four is to hold its own with the other powers. If Thompson doesn't make it, Shula will have to do some fast shuffling, perhaps moving Fred Miller to the outside.

Shula was new to the club himself last year, his first as head coach. He also had to fit eight rookies into the 1963 squad. Veterans will man most of the key positions this season.

### UNITAS IS SHARP

"Johnny Unitas is throwing real sharp," said Shula. "He started slowly last year but he was fantastic in the second half. Unitas is just the best quarterback in football. And that goes for everybody."

"We'll be better off on offense from the start. A year ago we didn't know John Mackey was as good as he is. We didn't have a fullback until Jerry Hill got going. Raymond Berry and Jimmy Orr were out and Lenny Moore missed half the season."

"Tom Matte did a whole of a job at Moore's position. We can count on him. Whatever we get out of Moore will help. We also are counting on help from Tony Lorick, our No. 2 draft choice from Arizona State."

### BERRY IN ACTION

Lorick at fullback and Ted Davis of Georgia Tech at line-backer are the newcomers with the best chance to fight their way into starting positions.

Unitas has his favorite target, Berry, in action at split end and Mackey, touted as "a new Mike Ditka," at tight end with Orr at the flanker, Hill at fullback and Matte or Moore at running back. Willie Richardson backs up Orr and Gary Cuozzo is the second quarterback.

With Jim Parker, an all-league ace, at left guard the front offensive line is intact. Bob Vogel and George Preas man the tackles, Parker and Alex Sandusky are the guards and Dick Syzmanski is at center.

Defense may present more of a problem to Shula's personnel. The return of Billy Ray Smith, who sat out last year, strengthens one tackle spot, with Miller at the other. Orrell Braase will be at his old end job. Marchetti's position is the problem.

### RESCHEDULE SP GAME

### Littlestown Little League

Only three rounds will be played instead of the usual four; it was decided recently by the league officials. This came about due to the late date plus the long running of the Adams County Little League tournament.

The new schedule, with the conclusion of the season coming on Saturday, will be as follows: tonight, Cardinals vs. Orioles; Thursday, Pirates vs. Indians; Friday, Yankees vs. Phillies; Saturday, Indians vs. Cardinals. In the event there would be a two-way tie for first place, the two teams would meet next week in a best-of-three-game series. Should three teams tie for the number one spot, a sudden death playoff would be staged, also next week.

## White Sox Beat Yankees Twice, First Time In This Season; Orioles Triumph

By HAL BOCK  
Associated Press Sports Writer

Manager Yogi Berra isn't reaching for the panic button yet. It wouldn't be the thing to do in the staid, gray flannel world of New York Yankee supremacy.

But you'll have to forgive Berra if he's wondering just a bit. He's been a Yankee for 17 years and he's seen pennant races reach into August before. That's where the similarity between his club, which lost a day-night doubleheader to the Chicago White Sox 6-4 and 8-2 Tuesday, and former Yankee teams seems to end.

The White Sox, who had lost 10 straight to New York, weren't about to extend that string. Pete Ward stroked three hits, including his 17th home run and drove in four runs as Chicago snapped the streak with the afternoon victory.

### CHISOX MOVED UP

They were even more convincing in the nightcap as Ward had three more hits and Juan Pizarro fired a five-hitter winning his 15th game. Pizarro added insult to injury by capping a five-run Chicago burst in the sixth inning with his third homer of the year—a three-run shot into the right field bleachers.

The double victory pulled the White Sox to within one game of the league-leading Baltimore Orioles who edged the Boston Red Sox 8-7. Elsewhere in the American League, Washington whipped Kansas City 5-2, Minnesota downed Detroit 5-3 and Cleveland shut out Los Angeles 3-0.

The losses dropped the third place Yankees 3½ games off the pace, gave them five defeats in six games against Baltimore and Chicago in the last week and left Berra worried.

### HOMERS HELP BIRDS

Baltimore got three two-run homers—the last one Boog Powell's 30th circuit blow of the season—to whip the Red Sox. Brooks Robinson and Sam Bowens also connected for the Orioles, who beat relief ace Dick Radatz.

Powell's shot in the seventh inning came on a 1-2 pitch with two out and broke a tie that was created when Robinson clouted his 16th an inning earlier.

Jim King and Don Lock homered to back up Claude Osteen's pitching for the Senators' victory. Osteen, who won his 11th, was replaced by Jim Hannan in the seventh. Nelson Mathews homered for the Athletics in the ninth.

### 26TH FOR OLIVA

Earl Battey drove in three runs and Tony Oliva slammed his 26th homer as the Twins snapped a seven-game Tiger winning streak. Detroit built an early 3-0 lead around Don Demeter's 15th homer but Hank Aguirre (2-6) couldn't hold it.

Rookie Luis Tiant won his fifth game, a four-hitter, and Max Alvis belted a three-run homer in the ninth inning for all

## MAUCH SAYS PHILLIES CAN WIN PENNANT

CHICAGO (AP)—Manager Gene Mauch of the Philadelphia Phillies is holding the ace in the National League deck and believes his club can win the pennant if it maintains its season-long pace.

Mauch said after a 13-5 victory over the Chicago Cubs Tuesday: "If .600 ball will win the pennant, we'll get the job done."

The Phillies, who only three years ago lost 23 straight games, have the tools to go all the way. They have one of the finest pitching staffs in the league, a probable Rookie of the Year in Richie Allen and a possible Most Valuable Player in the league in outfielder Johnny Callison.

### IST IN 5 YEARS

"I don't particularly believe in omens," said Mauch, after Callison had slugged the Phillies' first grand slam year to pave the way to Philadelphia's fourth straight victory and 10th in the last 13 games. "But if it means anything, we'll be glad to take it."

Callison's only other major league grand slam came while he was with the Chicago White Sox in 1959 when they won the American League pennant.

"Callison or Allen? I don't dare think where we'd be without either of them," said Mauch in answer to a question as to their respective value. "Actually, it's been somebody doing the job every day. But with Allen and Callison, we just take every thing they do for granted. We've gotten to expect them to produce."

### THOMAS LOOKS GOOD

"To tell you the truth, every time Callison makes out, I'm surprised," continued Mauch. "He's one helluva hitter."

Callison slammed his 19th homer, two doubles, knocked in four runs and scored four runs in the rout of the Cubs Tuesday. There was added thrust in the Phillie line-up with the presence of veteran Frank Thomas.

Thomas, acquired from the New York Mets last week in an effort to offset Phillie futility against snail-paw pitching, collected three doubles and drove in the first three runs.

Since joining the Phillies Thomas has had eight hits—five for extra bases—and has driven in eight runs. The Phillies haven't lost since Thomas made his way into the line-up.

the runs as the Indians blanked the Angels. Alvis' shot, his 13th homer of the season, was the third baseman's first hit since returning to the lineup after missing a month because of spinal meningitis.

### Box yourself in.

The Volkswagen Station Wagon looks like a box because it's built like a box. It lets you store the most possible stuff in the least possible space.

(The fact is, the VW carries more than the biggest regular wagons, and it's 4 feet shorter.) The VW's floor plan looks like any nice little room, except it has 8 chairs, 21 windows, 5 doors and a high ceiling.

You can't see the engine because it's in the back, out of the way.

If you aren't the curious type, you may never see the engine. No reason to. It rarely uses oil between changes. And it's air-cooled, so there's no water or antifreeze.)

But the real fun comes when you climb into the box and get behind the wheel.

Ahead of you, there's nothing but view; it's head and shoulders above other cars.

## 2 GEORGIANS LOSE APPEALS TO SEGREGATE

By MIKE BARRON

ATLANTA (AP) — The stage is set today for a possible showdown between civil rights forces and an adamant Atlanta restaurant owner who was denied more time before he must begin serving Negroes under the new Civil Rights Act.

In Washington Monday, U.S. Supreme Court Justice Hugo L. Black turned down requests by the restaurant owner and an Atlanta motel for an order staying effectiveness of a decision that the act's public accommodations section is constitutional. These were the first court tests of the act.

### WON'T INTEGRATE

This left segregationist Lester Maddox, who says his Pickrick Restaurant positively will not integrate, faced with the possibility of closing the restaurant in the face of expected further integration attempts.

On the other hand, Moreton Rolleston, head of the Heart of Atlanta Motel Corp., said he would comply with the court order.

"We will never integrate," Maddox said. "Pickrick will never integrate."

"We are just really hurt that our government will tell us that we no longer can be free as Americans and no longer can we select our customers," he said after learning of Black's decision. "It's involuntary servitude; it's slavery of the first order. It shows complete, utter disregard for the United States Constitution."

There are almost 3,000 varieties of wildflowers in the foothills of Colorado.

## Orders Office Of Criminal Justice

NEW YORK (AP) — Atty. Gen. Robert F. Kennedy has announced that an Office of Criminal Justice will be established within the U.S. Department of Justice to make a critical review of the fairness and effectiveness of federal law enforcement.

He says the office will help "insure that the department over which I preside is more than a department of prosecution and is in fact the Department of Justice."

Kennedy disclosed the plan Monday in a speech to the criminal law section of the American Bar Association on the opening day of the association's annual meeting.

The attorney general named Prof. James Vorenberg, 36, of Harvard Law School as the first head of the new office.

Vorenberg is working on a criminal law study for the American Law Institute.

## Hoover Observes Quiet Birthday

NEW YORK (AP) — Herbert Hoover celebrated his 90th birthday at a luncheon with friends and a dinner with his family.

It was a quiet celebration Monday for the nation's oldest living former president. His suite in the Waldorf-Astoria Hotel Towers was decorated and there was a big birthday cake.

He was up and about and his physician called his general health "good for a man of 90."

Hoover has suffered a series of illnesses, starting with a gall-bladder attack six years ago.

President Johnson, Gov. Nelson A. Rockefeller of New York and the governors of 15 other states designated the day Herbert Hoover Day and thousands of messages poured into his suite.

## ACTING LEADER IN ITALY MAY OPPOSE MORO

ROME (AP) — Cesare Merzagora, an advocate of free enterprise, has taken office as acting president of Italy, and this could mean trouble for the new center-left government of Premier Aldo Moro.

Moro, a 47-year-old Christian Democrat, heads a government consisting of Christian Democrats, Democratic Socialists, Socialists, and Republicans.

Last month, when Moro was forming his new government with the aid of the Socialists, Merzagora openly opposed the coalition formula.

At that time, Merzagora, 65, was president of the Italian Senate. Three days ago, a stroke felled President Antonio Segni, and Monday the Italian government decided the 73-year-old president is temporarily incapable of performing his duties.

### MAY OPPOSE MOVE

The presidential post is largely ceremonial, but it gives Merzagora the power to refuse to sign decrees issued by Moro's government. Moro is expected to issue several decrees to fight Italy's economic slump.

Refusal by Merzagora to sign a decree would kill it unless both houses sent it back to the president with a two-thirds majority.

Merzagora doesn't belong to any political party. During World War II, he was a member of the anti-Fascist resistance.

In 1947, he was named minister of foreign trade and eventually boosted the Italian economy through his vigorous promotion of Italian exports.

A medical bulletin this morning said there was considerable improvement in Segni's condition.

## BERLIN WALL WILL REMAIN

BONN, Germany (AP) — With the approach of the third anniversary of the Berlin wall, Chancellor Ludwig Erhard of West Germany pledged Tuesday not to use force to knock down the barrier.

Erhard said his government and its allies stood by their promise to safeguard the freedom of West Berlin. But he said West Germany "will not let itself be drawn into any use of violence, such as the Communist side repeatedly imputes to it."

Erhard added that his government repeatedly has announced its readiness "for a peaceful solution of the German question, but it would be a delusion if the East saw in that a sign of recognition for the reality of terror it has created."

Erhard's remarks were contained in the bulletin of the government press office. The Communists closed the border between East and West Berlin Aug. 13, 1961, and put up the wall in the following weeks. The West Germans call it "the wall of shame."

## STATE LEGION PLAY STARTS

ALLENTOWN, Pa. (AP) — Ten American Legion baseball teams from eastern Pennsylvania will play a double elimination tournament Saturday and Sunday on area fields to pick five teams to play in the state championship finals.

Five teams will also be selected from western Pennsylvania. The final round will start Aug. 19.

Hamburg of Berks County, last year's state winner, was eliminated in preliminaries and is not competing this year.

Ten games will be played Saturday, five starting at 1 p. m. and five at 5 p. m.

## NEW VIEW ON MILK PRICES

SCRANTON, Pa. (AP) — Peter H. Sandford, president of Loudon Hill Farms, Inc., of Susquehanna County, has testified before the Pennsylvania Milk Control Commission that his firm could sell its products at lower prices and still make a fair profit.

Sandford spoke Monday at the opening session of the commission's hearings on a petition filed by Loudon asking permission to reduce prices on dairy goods

sold in the Scranton area. Loudon distributes its products through eight retail stores in the neighborhood of Scranton. The present retail prices for milk are \$1 per gallon and 50 cents per half gallon. Loudon proposes to sell its products at 87 cents per gallon and 44 cents per half gallon.

Robert Eckersley, an accountant for Loudon, began to relate details of a cost survey he had made in support of the company position. He continued to testify at Tuesday's session.

Ten dairies that operate in the Scranton area oppose the price cut.

## JOHNSON TO GET MOST OF HIS MEASURES

By MILTON KELLY  
WASHINGTON (AP) — Congress is giving President Johnson a substantial share of the legislation he asked for under a "must-pass" label.

How much of the rest of it he will get before Congress winds up its 1964 session remains to be seen. It apparently will be a man-sized proportion.

However, in at least some danger in these closing weeks of the session are his programs for medical care for the aged and increased Social Security benefits. Some well informed sources say he may have to choose between the two. They concede he could wind up with neither.

### WAGE PLAN DEAD

They already have written off as "dead" for this year his wage policy program for industry, including a proposal for double pay for overtime. They also see a "very doubtful" future this year for a liberalizing overhaul of the immigration laws requested by the President.

With some give and take, his forces expect to get most of the rest of his program into the books, and are prepared to make a bragging point of this in the presidential campaign.

Tops on the program already written into law, of course, are the 1964 Civil Rights Act and the \$11.5 billion tax cut, plus an extension of excise taxes totaling \$1.9 billion a year.

### BOOST DEBT LIMIT

Congress also boosted the legal maximum national debt limit from \$315 billion to \$324 billion

for one year as Johnson asked.

Among his major victories was enactment of a cotton-wheat farm aid bill. It established a new program permitting U.S. cotton textile mills to buy government-owned cotton at the same subsidy price as foreign producers, and a voluntary wheat price support program aimed at assuring \$2 a bushel wheat.

Other feathers in the administration cap included: Congressional approval of his program to protect wilderness spaces.

### OTHERS ON LIST

A start on a \$375 million, three-year program of grants to public bodies for the purchase of mass transit equipment, plus loan-guarantee authority.

The new pay increase for federal officials and employees.

Wider police powers for the Securities and Exchange Commission.

Continued support for the controversial space flight project to land American astronauts on the moon in this decade.

Still in various stages of congressional action, with his forces optimistic he will get most of all of what he asked for in the bills, are such measures as his:

### OTHER ACHIEVEMENTS

"War on poverty" program, a \$947 million project.

Proposed \$455 million extension of the area redevelopment program, to aid chronically depressed regions.

\$1 billion companion piece to help build the economy of the Appalachian region.

\$375 million expanded food stamp plan to help the needy.

Extension of the National Defense Education Act.

Huge housing program, which has been short of some of controversial new features Johnson had requested.

## BOB KENNEDY MAY SEEK N.Y. SENATE SEAT

NEW YORK (AP) — Atty. Gen. Robert F. Kennedy says he would not consider running for U.S. senator from New York without Mayor Robert F. Wagner's "express approval."

A few minutes after Kennedy made that statement Monday, Wagner said:

"If he is available, he is the type of person who would make an exceptionally fine candidate. I am sure that he would win."

"I have a high regard for him as a friend and as a public servant."

### TWO CONFERRED

Asked whether his remarks constituted an endorsement, Wagner said:

"I think I've made a pretty strong statement already."

Wagner said he would not say

more until he had talked again with Kennedy. Kennedy visited Wagner last Friday. No further meeting has been announced.

The Democratic nominee will face Republican Sen. Kenneth B. Keating.

Kennedy, here Monday to speak at the convention of the American Bar Association, was asked by newsmen about the Senate race.

One of his replies was: "Under no circumstances would I ever have considered, or would I now consider, coming into the State of New York against the wishes of the mayor."

Wagner is generally considered the top Democrat in New York.

### CHAIRMAN APPROVES

Democratic state chairman William H. McKeon said he would "certainly encourage" Kennedy's candidacy. He said the attorney general would "make an excellent candidate."

Rep. Samuel S. Stratton, who has wide backing upstate for the Democratic nomination for senator, said Wagner assured him Monday night that he "had cer-

## MUSICAL AT TOTEM POLE

"The Sound of Music," Rodgers and Hammerstein's last and greatest success, opened a two-week run at the Totem Pole Playhouse, Caledonia, Monday evening. As the audience climbed the hill to the playhouse they were greeted by a large, colorful Totem Pole erected on the terrace, which William Putsch, the director, recently purchased from Sandy's Restaurant.

Miss Jeanne Shea stars in the role of Maria which she played in the national road company. She is bright and attractive and has a singing voice peculiarly suited to the role. The seven children of Capt. von Trapp, for whom she leaves the convent and serves as governess, are good actors and good singers. They are played by children from Chambersburg, some of whom have had previous experience at Totem Pole: Freddie and Judy McComsey, Chris, Carole and Barbara Clarke, Elois Merriman.

The oldest of the children, Dianna Briggs, is a graduate of Westminster College and is on the Totem Pole staff. Jean Stapleton as the mother abess is in very good voice with her musical numbers and Maretta Hamme as the attractive Elsa Schraeder has a well trained voice.

Douglas Wilson who toured for two years with this show brings to the stage a military bearing

for the role of Capt. George von Trapp, the widower raising the seven children, and Jonathan Troy plays Max Detweiler. Both are torn between loyalty to Germany and Austria. Arline Anders and Arden Kiser do well with their small roles as butler and housekeeper. Tom McKenna is the messenger boy sweetheart of Liesl, the oldest daughter and D. F. Gilliam plays Herr Zeller, the German agent. A large cast carries out the interesting story laid in Austria early in 1938, with 13 scenes in the first act and seven in the second. The orchestra accompanies the singing of the nuns and the Trapp family and if the enthusiastic response of the audience is an augur, the next two weeks at Totem Pole will be as popular as the past two weeks with "My Fair Lady."—ETB

About half of the campgrounds in national parks have good access roads, parking, drinking water and sanitary facilities. About half are in remote areas. A few are reserved for use by organized groups.

PHILADELPHIA (AP) — A state official urged local governments Tuesday to "develop an over-all plan and policy" prior to applying for recreation grants under Project 70.

"Whatever the recreation facility needs of the community may be, a Project 70 grant could be the difference between the success or failure of implementing a long desired park and recreation project," said Daniel Rogers of the State Commerce Department.

Rogers, director of the Bureau of Community Development, spoke to a workshop discussion group at the Pennsylvania League of Cities convention in Philadelphia.

Project 70, the state's \$70 million open space conservation and recreation program, earmarks \$20 million in matching grants to local governments for the development of recreation sites.

## Israeli Critique Of U.S. Marines Says Corps Is Without Equal In World

By BEM PRICE  
WASHINGTON (AP) — Once upon a time, or U. S. Marine Corps squad was supposed to consist of 16 men and a publicity sergeant.

This was, of course, sour grapes from Army types. President Harry S. Truman once accused the Marines of possessing a "propaganda machine that is almost equal to Stalin's."

Truman couldn't have done worse if he had criticized motherhood. He subsequently apologized for his "unfortunate choice of language."

**CRITIQUE IN HEBREW**  
In brief, it usually is about as safe to criticize Marines as it is to lift beagles by their ears.

Now, practically for the first time in living memory, there has been an independent critique of the Marines which has been published recently although in Hebrew.

It is addressed to the question: Are the Marines really as good as they say they are?

While it is a natural question, it is one that would never occur to a Marine.

**A TOSSUP**  
The critique was written by a lieutenant colonel named Shaked — first name unavailable — and appeared as a two-part series in the magazine "Ma'Arakhot," official publication of the Israeli general staff.

With fine impartiality, Lt. Col. Shaked, who was one of seven Israeli officers who spent a year observing the Marines, found 14 things to the Marines' credit and 14 which he considered were on the debit side.

In general, Shaked found that the high self-esteem with which the Marines customarily regard themselves was justified.

In passing, it might be noted

that there is an affinity between the Israeli armed forces and the Marines which goes back over 15 years and may come as a surprise even to Shaked.

**TWO MAJOR FAULTS**  
One of the best-kept secrets of those years is the fact that a few Marine Reservists helped train some of the Israeli commandos shortly after the nation was formed in 1948.

Anyhow, Shaked really found only two things he classed as really major faults. One involved officers and the other, night operations.

By Israeli standards, Shaked said, Marine officers were "too orthodox"; they preferred "the safe and easy course of doing everything by the book as taught at Marine Corps schools."

He added that the Marine officers were "unwilling to risk daring and unorthodox solutions."

**WITHOUT PARALLEL**  
Shaked also found that Marine junior officers were too young and inexperienced in relation to their noncommissioned officers.

He noted that only 25 per cent of the Marine officers came up from the ranks whereas all officers in the Israeli army had served at least a year as an enlisted man.

The lieutenant colonel was critical of what he said was a lack of imagination on operations at night and during bad weather. It is at these times, he said, that surprise attacks could be improvised and carried out.

These criticisms aside, Shaked characterized the Marines as a unique, outstanding outfit "without a parallel among the best armies in the world."

Shaked concluded that the Israeli armed forces could learn a great deal from the Marines.

## CLEVELAND TO RETAIN BROWN

STANFORD, Calif. (AP)—The Cleveland Browns will retain the services of Jim Brown at full-back despite the advice of former Cleveland quarterback Otto Graham.

Graham suggested Tuesday at a luncheon in Canton, Ohio, that Brown should be traded because of failure to block or fake.

Cleveland Coach Blanton Collier and owner Arthur Modell reacted as if Graham had asked them to sell their children into slavery. Brown took it like a slap on the shoulder pad by a 180-pound defensive back.

"I feel that this isn't important because Otto has no connection with pro football or the Browns," said Brown. "I feel this is just like a statement from any football fan, and any fan has a right to his opinion."

Graham had conceded that Brown is a "great athlete and he could block, but he doesn't. This is ridiculous."

"The Browns will not win anything as long as Brown is in there. Now chew on that for a while," Graham told about 150 people at a National Football League Hall of Fame gathering.

"It is obvious that Otto Graham is not the coach of the Browns," said Modell of the man who coaches the Coast Guard Academy. "The charge that Jim doesn't fake is ridiculous."

**FIGHT POSTPONED**  
SAN FRANCISCO (AP)—Matchmaker Art Benjamin Tuesday announced postponement of the 10-round nontitle fight between light heavyweight champion Willie Pastrano and Bobo Olson scheduled for Aug. 28.

LEAVENWORTH, Kan. (AP)—Peggy Conly of Spokane, Wash., battled extremely high wind gusts to shoot an 80 Tuesday and win medalist honors at the USGA national junior golf tournament with a 36-hole total of 154.

## BELICH HITS GRAND SLAM

HERSHEY, Pa. (AP)—Marc Belich, who pitched a perfect game Monday in the opening round of the VFW National Teener Baseball Tournament, proved he could hit as well Tuesday when he belted a grand slam home run, leading West Allis, Wis., to its second straight victory.

Chillicothe, Ohio, was the latest team to fall victim to West Allis, bowing 10-3.

Belich drove in a total of five runs. His grand slam homer came in the fourth, putting the game on ice for West Allis.

In other games, undefeated Uniontown, Pa., handed defending champion Gastonia, N.C., its first defeat of the tournament. The Pennsylvanians scored a 2-1 victory behind the two-hit pitching of Tom Urey.

The Canal Zone was eliminated when it lost to Gloucester, N.J., 6-3. Gloucester lost its first game on Monday.

## X-Rays Negative On Two Phillies

CHICAGO (AP)—X-rays of injured Philadelphia Phillies outfielders Cookie Rojas and Tony Gonzalez were negative, officials at Wesley Memorial Hospital reported Tuesday.

Rojas, who injured both wrists when he slammed into the centerfield wall in the third inning of Tuesday's 13-5 victory over the Chicago Cubs, was immediately released from the hospital.

But Gonzalez, who was hit on his protective helmet in the sixth inning by pitcher Dick Eklund, was held overnight for observation.

## Speedway Cards Qualifying Race

Lincoln Speedway will present a 35-lap "Langhorne Qualifying," double point championship event for sportsman-modified stock cars Saturday night.

Promoter Hilly Rife stated, "In appreciation for the way the fellows have supported Lincoln this season, we will post \$750 to win, \$300 for second and \$325 for third. The purse for this 35-lap double-point race will be an all-time high for the Lincoln Speedway."

The winner of the 35-lap feature will receive in addition to top money, a beautiful silver "Langhorne Bowl" trophy. The trophy is symbolic of the guaranteed starting spot in the "Langhorne Open 100 Championship" field.

The Langhorne stock car classic, starting 60 of the fastest S-M stocks, will be held on Sunday, October 11. Time trials will be held all day Saturday, October 10.

Among the many top ranked drivers that will be favored to win the "qualifier" are Gene Gooding, Stoverstown; Frankie Thompson, Shrewsbury; and Bud Folkenroth, Seven Valleys. These three drivers are in one of the tightest point battles in years at the Lincoln Speedway.

Johnny Roberts, Baltimore, the only "big car" driver to annex a feature win at Lincoln this season will also be a man to watch in the 35-lap grind.

Lea, Rinehart and Mallory are dead.

**INDUCT IN DEC.**  
The football greats of yesterday were selected by an honor court headed by Fred Russell, sports editor and vice president of the Nashville Banner, and announced by Chester J. LaRoche, foundation president.

The selections bring the total of players in the Hall of Fame to 172, and coaches to 51.

The men will be formally inducted at the foundation's annual dinner here Dec. 8 when Donald B. Lourie, Princeton quarterback of 1919-21, will receive the foundation's gold medal award.

College football's Hall of Fame will be built at Rutgers, University, New Brunswick, N.J.

Blaik, now an executive of Avco Corp., had a record of 45 victories, 14 defeats and 5 ties in seven years at Dartmouth. At Army his teams compiled a mark of 121-33-10 from 1941 through 1958, winning the national championships in 1944 and 1945 when he had Doc Blanchard and Glenn Davis in his backfield.
